ENVIRONMENTAL POLICY 2019

Environmental Policy Issue Date: 08 January 2019 - Re-assessed yearly.

The environmental policy of The Direct Painting Group Ltd is to be a responsible citizen in protecting the environment. The directors are fully committed to complying with this detailed Environmental Policy.

This Policy statement covers all activities on any Direct Painting Group Ltd site.

The Direct Painting Group Ltd will always strive for the continual improvement in environmental performance and, where practicable, to prevent pollution at source, taking into consideration business objectives, main contractor or client requirements, employees and the local community.

The Director at The Direct Painting Group Ltd is committed to implementing, operating and incorporating into the existing Quality Management System an Environmental Management System to identify and control the significant environmental aspects associated with our operations.

In particular The Direct Painting Group Ltd is committed to:

- Meeting or surpassing all relevant environmental legislation and regulations.
- Reduce, reuse and recycle waste and packaging where practicable. Additionally we aim to establish and maintain objectives and targets for environmental performance including:
 - Air emissions
 - Water discharges
 - Liquid and solid waste
 - Packaging
 - Ground & groundwater condition
 - Natural habitats
 - Environmental awareness
 - Supplier compliance.

Signed: 

Direct Painting Group Ltd - Director: Rocco Falzon
